Annual Report

The Womans Auxiliary has enjoyed a very prosperous year under its energetic and efficient President Mrs. Parsons.

She herself has planned the menus of the eight suppers held in the Chapel and worked faithfully on every one, clearing on the average $23.50 at each social

The newspapers were also collected and sold under her supervision and twenty dollars added to the Treasury thereby

At the November social Miss Gross had charge of a table of fancy and useful articles, the sale of which netted eighteen dollars ($18.00)

At the June meeting Miss Chandler was appointed a Committee of one to look up and arrange for a play This she has failed to do as just the right style of play has not been found

The telephone rate was raised during the year from $1.50 to $1.75 a month

but as the vote at the annual meeting was to pay for the telephone at the Parsonage for the year, no extra meeting was called on this account.

About two years ago a Committee was appointed to buy a map for the Chapel and Sunday School and ten dollars was appropriated for the purpose but as Consecration in all things soon took possession of every one, the Committee decided to wait awhile

The condition of affairs does not seem to improve very rapidly so the Committee decided to replace the ten dollars in the Treasury

The Officers thank all who have so willing assisted in making the year so successful and the members of the Auxiliary wish at this time to express their thanks and appreciation of the efficient work of their President Mrs Parsons

Annual Report.

The Womans Auxiliary closes another year work. Six socials have been held with an average return of $19.40.

Owing to the severe snow storms and so much sickness the Feb. social was omited. Your Sec. had so many other calls that she neglected to fulfill her pledge for a June social and none has been held in Nov. which makes the financial showing very poor.

The membership is not as large as usual as a great many families have left town as the mills are both closed.

The Officers wish to thank all those who have helped to make the year as much of it ~~success~~ as it has been.

Respectfully submitted

Annual Report.

The year just closing has been a successful one with the Woman's Auxiliary financially.

Two new names have been added to the list of members, Mrs. Arthur Perrins and Mrs. Robert Stone, making a total of fifty-two members who have paid dues this year.

Seven socials and two sales have been held.

Much credit is due the willing workers who through their untiring efforts have made this year successful, not only financially but socially. And we wish to thank most heartily all who have responded so cheerfully when called upon for contributions of food & money.

We have all been workers together in a good cause & I trust it has been a pleasure to each one to be able to help in the work of the church.

We commenced the year with $4.39 in the treasury and have raised during the year including dues $256.68 and have paid out $218.25 leaving a balance in the treasury of $38.43 which I take pleasure in passing over to my successor wishing a very successful year for the Auxiliary.

Annual Report.

The Womans' Auxiliary during the past year has fulfilled its mission under the leadership of its able President - Miss Emery. Four Socials have been held, others were planned, but owing to the weather and existing conditions it was thought best to omit them and collect money for Lent. Special mention should be made of the Chicken pie Supper, Sale and entertainment in charge of the efficient Com. Mrs. Ward, Miss Ross, Mrs. Ritchie, Mrs. Richardson and their willing helpers, who gave much of their time and strength to make it a success. You all know this is the out standing feature of the year, and they may well be pleased over the result of their efforts, the net proceeds being $135.20 We have gained 12 new members this year making a total of 64 members at the present time.

The officers wish to thank all who have contributed in any way, in this much needed

and good work.
Total amount of money rec'd. during the year $301.55.
Total amount paid $145.25 leaving a balance of $156.30.
This Society is a credit to our Church which the members have pledged its support.
